CONSTRUCTION ZONE AT 1307!

Working side by side, Phi Chapter alumni and undergrads have been working closely this summer to finalize building plans and get a jump on demolition. A recent alumnus who's worn many leadership hats as an active, with the campaign, and now on the wrecking crew, Cory Loveless '12 reports the following as major accomplishments this summer:

- Removed doors, frames, fire doors, and hardware from each residential room and many of the rooms on main
- Removed beds, wardrobes, furniture, and other trash
- Relocated important items and trophies to safe locations on the 4th floor
- Removed carpet, stripped non-load bearing walls, and removed ceiling cover on the second and third floors, as well as the office and TV room on main. Some walls in the office were stripped or removed.
- Removed all existing boiler pipes and covers to be replaced with new pipes and covers that will be less obtrusive

- Removed ceilings, wall coverings, appliances, and fixtures from the kitchen, dining room, and laundry room.
- Removed all of the walls in the basement residence (cave)
- Jackhammered up new channels for sewer and water in the laundry room, basement residence, boiler room, and kitchen
- Cleaned out the coal bin
- Stripped walls of the north chimney
- Removed stair railings for safe keeping during construction

"Once the north chimney has been removed, the north fire escape will be dismantled and the new footing and foundation for the north stairwell will be dug and poured," added Cory. "We hope to accomplish this as soon as possible before the first frost."

"I was very excited July 18th when Russ Handegard '72 called to let me know we had all the required permits to move forward with the City of Fargo," said Brad Westrum '72, Alumni Council President. "This vision we've had of a renovated chapter house is really going to happen. There's nothing holding us back. It was really gratifying to walk through the house to see all the hard work that Cory and the actives have accomplished in such a short time."

Building plans have been created by past chapter president and architect Jeff Wrede '92. "Jeff has given his time selflessly

THANK YOU UNDERGRADS

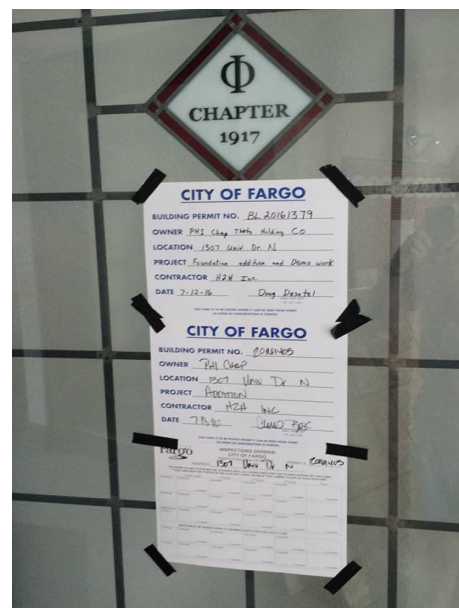

The undergraduate chapters labor and time have been critical to our success to date. A special thank you to David Adrian, Jack Boylan, Gunnar Breyer, Nick DeLaPoint, Alec Halvorson, Devin Olson, and Tony Kimlinger for their sweat equity on Russ Handegard's wrecking crew.

While construction is underway, the undergraduates have opted to find their own housing on and off campus. They will conduct weekly meetings on campus, and schedule a monthly meal together. Initiation will most likely be held offsite at a local church or similar venue.

Thank you to steering committee members pictured on the right for putting us on the right track in 2012.

and generously to produce drawings, prepare proper permits, as well as driving up from the Minneapolis/St. Paul area to Fargo to meet with stakeholders in the project," said Cory. The plans were completed with input from several undergraduates and alumni. Although the general layout will remain largely unchanged, living space will be improved. On the second and third floors, common areas for studying and laundry facilities will be created. The north stairwell will house an elevator and additional storage. The kitchen will be expanded, and a guest lavatory installed on the basement level. The main staircase will be eliminated. A handicapped-accessible suite on the main floor will replace the current TV room and office. The main floor and red carpet will be refinished where necessary. All lead glass and stained glass windows will be preserved.

JOHN NORDGAARD '74 GIVES AGAIN

Brother John Nordgaard has been involved in the Phi Now project since 2012. At that time, he served on the original 16-member steering committee who studied the feasibility of a major chapter house renovation based on conversations with 38 Phi alumni. He was also one of the campaign's first 100 donors. This month John made a second campaign gift. "First and foremost, I truly believe in the renovation project," said John. "The 'House that Brotherhood Built' needs to be updated and I want to be a part of the action. Brother Dave Hynek asked if I could help push us over the \$1.3 million mark and I was pleased to help."

PHI NOW CAMPAIGN HITS \$1.3 MILLION MILESTONE

Just as the tear down begins, the campaign has surged past the \$1.3 million mark! The fundraising effort, led by Rick Buresh '71, has certainly struck a chord with all generations of brothers. As we look to the end of the year, volunteers – now over 100 strong – are hoping to clear the \$1.5 million mark.

Since the start of 2016, Sarah Gates has taken over the responsibility of campaign coordination. Her responsibilities include: tracking pledge data, preparing and sending donation reminders, recording and depositing donations, preparing donation recognition letters, updating the donor roster and maintaining a database of alumni contact information. According to husband Jason Gates, he really appreciates the help keeping the campaign records up to date, and Sarah has enjoyed the opportunity to do some work from home.

"This summer we have started paying bills for work done at the chapter house, so the project feels very real now," added Jason. "If you haven't already done so, please consider making a pledge or donation. This is a great project and a unique opportunity to make your mark on our chapter!"

If you have any questions about your pledge or how to complete a donation, call Jason at 701-367-0471 or Sarah at 701-297-5919. "We are glad to help the campaign in any way we can!" said Jason.

MANY WAYS TO GIVE — USE PLEDGE COUPON ON BACK!

1. Give directly to the chapter or send your support via the Fargo-Moorhead Area Foundation for a tax deductible gift. Classified as a 501(c)7 non-profit, donors contributing directly to Phi Chapter won't qualify for an automatic tax deduction such as with a church or the American Red Cross who are designated as 501(c)3 non-profits. Direct donations, however, can be used immediately to offset expenses, therefore they are the most beneficial to the building project. Although all tax deductible funds will return to Phi Chapter, IRS guidelines restrict their availability annually.

2. Donate cash, appreciated securities or commodities! Talk to your personal financial advisor to discuss the giving option most appropriate for you. Gifts of securities and commodities may have specific tax advantages. For questions and instructions, please contact Jason Gates at 701-367-0471 or jgates97@gmail.com.

3. Give now or pledge over 5-years. You will receive a gift acknowledgement for tax preparation purposes, and annual pledge reminders to keep you on track.

4. Working with the F-M Area Foundation, the campaign can accept matching gifts from employers. For some, this may be an opportunity to double your gift! Contact Jason Gates to help you navigate the process.

For more campaign information, contact Jason Gates at 701-367-0471 or jgates97@gmail.com

Those of you from the late 1970s through the early 1990s will recognize Freddy the Dragon! Jack Haines stopped by the "guttled" house and found him in all his glory on the third floor room over the main entryway. He says he wants to see everyone back at Pig Banquet 2017. Who knows, maybe we can auction him off too!

2016 HOMECOMING PLANS

September 30, 2016

5:00pm – Meet at Fargo's US Bank Plaza (East side of Broadway between 2nd Ave N and 3rd Ave N) prior to the 5:30 Homecoming Parade down Broadway

7:00pm – "Hardhat Tours" of Theta Chi House

9:00pm – Chub's

October 1, 2016

9:00am – Tailgating at the Fargodome. Find us in the SE corner of the parking lot near the NW corner of the dome. Food provided by OX alumni.

1:00pm – Homecoming football game vs. Illinois State Redbirds

Cory Loveless and his demo crew of actives have had a busy summer. The House is ready for contractors. This project is happening. We have exceeded \$1.3 million. Our next financial goal is \$1.5 million. The following brothers have made additional pledges over and above their initial response; Stan Dardis, Gene Jackson, Roger Gjellstad, John Nordgaard, and Dave Hynek. Thank you to all who have pledged and given memorials. Please consider an additional gift as we concentrate on those brothers who haven't taken advantage of the opportunity to be a donor. We are on the drive to \$1.5 million!

JACK HAINES '86 ENCOURAGES YOU TO TAKE CENTENNIAL CHALLENGE!

Everyone I talk to is getting fired up for Theta Chi's 100th anniversary celebration on March 23-26, 2017. That's only a scant few months away! If you have not made plans, reservations, etc., what are you waiting for? Here is exactly what you'll be saying if you miss it: "Damn, I really wish I'd made the trip!"

We'll have so much fun revisiting old memories, catching up with buddies, reminiscing with old roommates / class mates. I'm just sorry to say that the flag pole is gone! I can't run that far anyway. But we're still going to have a blast!

To ensure that we have an historic turnout for our historic NDSU celebration, take the following steps seriously:

1. Make the decision yourself to attend and RSVP at www.phionline.org. Brothers come back to see Brothers! Sign up and let everyone know you are coming.

2. Challenge others! Pick out guys you absolutely want to see and challenge them to attend. For those at Pig Banquet 2016 who filled out their wish list of names, I will be emailing you in the near future. It's high time to reach out and extend a personal invitation.

I challenged two guys I especially wanted to see last year — Paul and Jon Helt — and they made the trip from Virginia and California! We spent hours talking. Also joining the festivities were other I hadn't seen in years: Byron Larson and Dan Strand. I can only imagine what 2017 is going to be like when we get hundreds of Brothers back from all generations!

In addition to the fun schedule of events we have planned, a few highlights include:

1. Roger Gjellstad's auction of past memorabilia

featuring alumnus auctioneer Kevin Effertz. Take a look at these one-of-a-kind items:

- a. A framed piece of old red wall paper from Chub's (including signatures on the "well endowed" images)
- b. Bison artwork and athletic equipment
- c. OX house memorabilia

2. Dennis Agnew has begun collecting old photos for the slide show. Please send images you may have to: dennis.agnew@doosan.com or forward them to phionline.com.

3. John Nordgard purchased, and RC Stein plans to raffle off (certified & legitimate in his words), one of the last Theta Chi 100th anniversary rifles.

Our Centennial goal is to bring back 500 alumni. We'll get there by:

Pre-registering and challenging others!

Homecoming is the perfect opportunity to jump on board. In the immortal words of John "Bluto" Blutarski: "Who's with me...let's do it!" Pre-register at www.phionline.com.

I "absolutely!" (stolen from Mark "Willy" Williamson) look forward to seeing you all there!

GREETINGS FROM PHI CHAPTER!

With the fall semester underway, the Active Chapter is excited to celebrate our past accomplishments, while looking forward to our milestone year. We hosted our last initiation ceremony at the old house, took home an award from the International Convention, and have begun work with our Homecoming partners to plan this year's fall festivities.

With a chapter roster of 70 members, we continue to rank number one on the NDSU campus. Greek life at NDSU is growing and currently encompasses seven percent of the total undergraduate population. This past spring semester we initiated four members into our Brotherhood. This was a milestone for the chapter as it marked the last initiation ceremony at the house before the Centennial Renovation. Our 2016 spring semester chapter GPA was 3.134, ranking us higher than both NDSU's "All Male Average" and "All Campus Average."

RECOGNIZING ALL GIFTS TO PHI CHAPTER

· Jeff Wrede – Jeff served as the architect for our project, and spent many hours working out the drawings. He also made several trips to meet with undergraduates and other stakeholders in the project at his own expense. Thank you, Jeff!

· Bernie Dardis – We are very thankful to brother Dardis, as he connected us with a lift operator as well as one of his own Indigo Sign-works lifts to assist in the removal of the north stairwell. Thank you, Bernie!

· Russ & Kyle Handegard – It goes without saying that brother Handegard has spent hours and hours of his own time working with contractors, traveling back and forth between Fargo and Welford, ND, and helping hands-on with the renovation project. Russ also selflessly let us use his company to run payroll for the hired undergraduates, and his wife Kyle helped connect us to

This past summer, Alumni delegate Cory Loveless, current Treasurer Tony Kimlinger and I traveled to Atlanta, GA for the 160th Anniversary Convention & 37th School of Fraternity Practices. Brothers from across the country were able to connect and together, sharpen our chapter operation skills. Thank you brothers for investing their time and for representing Phi Chapter. For the third consecutive year we won the Chapter Achievement Award for success in chapter operations. This is the direct result of our brothers' hard work during the school year. Brother Cory Loveless was also honored with a David E. DeVol Alumni Award.

This year's Homecoming game is being played on October 1st. The Bison will be playing the Illinois State Redbirds. Our 2016 Homecoming partners are Sigma Alpha Epsilon and Kappa Psi. I invite everyone to join us downtown Friday evening for the parade and Saturday morning for tailgating at the Fargodome. The football game is scheduled for a 1 p.m. kickoff. Go Bison!

At this time, I would like to thank everyone who has contributed to the Centennial Campaign. This is a monumental time in our chapter's history. We hope that you will join us in celebrating Phi Chapter's history at North Dakota State University.

Fraternally,
Michael Thordson,
Active Chapter President ϕ 1931

a payroll company in West Fargo, Payroll Express, that made our summer work possible. Thank you, Russ & Kyle!

· Jason Gates – Beside being the financial arm of this project, brother Gates also lent us some of his personal tools to help get the crew started on the demolition process. Thank you, Jason!

All gifts and pledges of \$1,917 or more to the 5-year Phi Now campaign will be permanently recognized at the chapter house. (+) in front of a donor's name indicates they are both a Theta Chi for Life and Phi Now donor. (Φ) indicates a direct gift to the chapter that can be used immediately to offset project expenses. (*) indicates a matching gift. Donor roster is organized alphabetically by last name, then by graduation year.

LOVELESS RECEIVES PRESTIGIOUS AWARD

Cory Loveless received the prestigious David E. DeVol Award at the 160th Anniversary Convention in Atlanta, GA this summer, which recognizes volunteers at the local, regional or international level for outstanding volunteer service for Theta Chi Fraternity. The award is presented by the Executive Director to members he believes, over the previous academic year, provided the Fraternity with extraordinary effort and dedication. Pictured left to right is Cory with Grand Chapter National Vice President Tate Martin.
